**Milbank**

CASE STUDY

Outstanding language services in  
the legal sector for **Milbank**

## About the company

Milbank, Tweed Hadley & McCloy LLP is a leading international law firm with offices globally.

## The challenge

Milbank in Frankfurt, Germany engaged Global Lingo for the translation of corporate finance, real estate and sensitive litigation projects.

With highly confidential legal content, accuracy of the translation, response to changing timelines, and information security were the key drivers

## The solution

- ▶ Use of certified legal translators working alongside a dedicated in-house Project Management team
- ▶ Use of translation memory technology to ensure consistency of translations
- ▶ Proof-reader selection based on sector expertise
- ▶ In-house DTP specialists as part of a tailored quality assurance process.

## Benefit

- ▶ Clearly written and formatted legal texts, in line with German standards
- ▶ Consistent translations thanks to a set team and the use of translation memory technology.

## Here's what Milbank have to say about our services:

"Global Lingo has worked with us on a number of projects and has always been very proactive and flexible in dealing with sensitive content requiring accurate translation, generally to a tight deadline. The team at Global Lingo, including senior management, are very engaged, easy to work with, responsive to our requirements and experienced in the demands of legal translations."

# World-leading languages services for legal

## Industry Expertise

Our linguists are not just linguists, they are experts in their field. Global Lingo covers many business sectors, with qualified translators who operate best industry practices. Our insights ensure your next project expands beyond your expectations, taking your business to the next level in your international markets.

## Personal Service

From your initial point of contact, we provide you with a dedicated account manager who is devoted to guiding you through your next translation or localisation project. We work with industry-leading linguists, abide by internationally recognised quality and security standards, and ensure rigid quality assurance processes. Catering to your bespoke needs, your team at Global Lingo can take on as much or as little as you need, from tightly controlled tasks to a complete project takeover.

## Leading Technology

Global Lingo is adept at incorporating emerging technologies and defining new standards in the language services industry. With our GloZone client portal, you can easily oversee and administer your project all in one place. We understand that a synthesis of human touch and technology is what drives success in modern business practices. That's why we always find the right balance, and in doing so guarantee quality content and user experience.
